COMSATS University Islamabad (CUI) is the top ranked university of Pakistan as per HEC ranking. CUI main campus is situated in Islamabad, CUI has also 07 sub-campuses and 01 virtual campus spread across the country.

Karakoram International University (KIU) was established in 2002 in Gilgit-Baltistan. Before the establishment of the University, the students of the Gilgit Baltistan had to go down the country or abroad for seeking their higher education. KIU is now providing local and indigenous related studies ensuring progressive, visionary and application-oriented programs.

Hunza is one of the most serene cities of Pakistan and is a home of talented and hardworking citizens. The focus of the conference is to provide a platform where professionals will directly interact with the students of remote areas of Gilgit, Hunza and outskirts. The conference will describe the advancements and scientific activities in the field of Chemistry both at National and International levels.
